

◆ DECK · 46 CARDS

Two decks, **no Diamonds**. Keep 5 · 10 · J · Q · K · A · 2 + Jokers: six each of **10, J, Q, K, A, 2** · four plain 5s · two Heart 5s · two Big + two Small Jokers.

◆ CONTRACTS

listed low → high stakes

CONTRACT	IF DECLARED	WIN / LOSS
Quiet	Nobody declares. First bidder leads. First to shed out wins.	10
Buried Treasure	Reveal top 3 set-aside: declarer takes 1, then opp. may take 1. Shed first.	15 / 10
Breakaway	Declarer must shed out first.	18 / 12
Forced Shovel	Needs at least one 10. Shed out first. Declarer must perform any legal shovel. 10s may only be played as a shovel, except in declarer's final play in which 10s can be played as usual.	21 / 14
Red Finish	Opp. leads. Shed first and your final play holds a Heart 5.	42 / 28
The Chase	Declarer takes top 3 set-aside. Opp. leads. Shed before opp. hits <3 cards.	48 / 32
Blackout	Opp. leads. Shed out first without ever leading a single.	54 / 36
Shutout	Shed out before the opponent plays any card.	96 / 64
Heavenly	A Shutout, but opp. gets one last attempt to beat your final play.	108 / 72

Bid higher to stay in. A pass closes the auction. The last (highest) bidder is declarer. **Win** = declarer succeeds. **Loss** = opponent scores. Match to **150** or **250** points. Scorer also gets **+1 per card** left in opponent's hand (capped at the contract score earned, no bonus for Shutout or Heavenly).

◆ SETUP

Deal **18** to each player. Set the other **10 aside face down**, unused except as noted by certain contracts. First bidder = fewer points (random on hand 1). The declarer leads unless a contract says otherwise.

◆ CARD RANK

high → low

Heart 5s stand apart: they pair only with each other, never with other 5s. **Jokers** play as singles or same-kind pairs only.

◆ LEGAL PLAYS

Single	One card.
Pair	Two of a rank. Heart 5s & same-kind Jokers may pair.
Set	Three to six of a kind.
Single Run	4 or 5 consecutive singles using 10 · J · Q · K · A only.
Connected Sets	3+ consecutive equal-size groups using 10 · J · Q · K · A only.

Match the **type and shape**, then play a higher rank. Runs and connected sets compare by their highest card or group. **No bombs, no cross-type beating.**

◆ SHOVEL · 10s

Play 10s **one fewer** than the opponent's current set to capture it into your hand.

10 →	a pair
10 · 10 →	a triple
10 · 10 · 10 →	a 4-of-a-kind
10 · 10 · 10 · 10 →	a 5-of-a-kind
10 · 10 · 10 · 10 · 10 →	a 6-of-a-kind

The 10s stay as the active play. Cannot capture **Heart 5s** or **Jokers**.

Lead any legal play · beat the current combination or pass · when your opponent passes, you lead again. Hand ends when a player empties their hand, or earlier through contract failure or escape.
